From the President's Desk

I would like to report that we had a well attended and successful meeting at our new meeting location, where after the routine intro and announcements we shared in an interesting group discussion and then after the discussion we played a game of Apples to Apples. We had a good time and look forward to having more good times at our new meeting location. For those of you who missed it, you'll just have to make up for it by making it to our next meeting. You were missed and you missed out on having some good fun with our group.

For next month we will not be having our traditional December "Holiday Party" as usual due to a number of our members who will not be able to make it during that week. So instead, in order to

try to maintain our "Holiday Party as a maximum turn out activity, we will be having that celebration on January 9th during our January meeting.

For our December meeting we will have more discussion and then we will be viewing a movie entitled "All the Queen's Men" A movie where a mismatched team of British Special Services agents led by an American, all in disguise, must infiltrate a female-run Enigma factory in Berlin and bring back a decoding device that will end the war. In this movie (LOL) war is definitely a DRAG!

We will be planning our chapter activities at least 4 months in advance and will keep you informed of our planned activities here in the news letter and on our Bulletin Board in our "Members Only Area" of our web site. If you have any suggestions as to what activities you would like to have us participate in as a group, please let us know, so that those activities can be included in our planning and put on the calendar.

Thanksgiving is a week away and I would like to thank all of our TUG members who have been a support to me and our group over the years, and for the lasting friendships that have developed. I hope that next year will be even better yet. I know that it can be if we all put in the effort to make it happen.

Hugs, Your Chapter President,
Kimberly

Two old drunks on their way home from the pub, were stumblin up the country road in near darkness, "Seamus, I think we've stumbled into the graveyard - look, I can see a stone here that says a man lived to 105!"

"Glory be Malarki, was it anybody we knew?"

"No, twas somebody named 'Miles from Dublin'"

One night, a police officer was stalking out a particularly rowdy bar for possible violations of the driving under the influence laws.

At closing time, he saw a fellow stumble out of the bar, trip on the curb, and try his keys on five different cars before he found his.

Then, sat in the front seat fumbling around with his keys for several minutes. Everyone left the bar and drove off. Finally, he started his engine and began to pull away.

The police officer was waiting for him. He stopped the driver, read him his rights and administered the Breathalyzer test. The results showed a reading of 0.0.

The puzzled officer demanded to know how that could be. The driver replied, "Tonight, I'm the Designated Decoy."

Reality is that which, when you stop believing in it, doesn't go away.
