From the President's Desk

I understand that we had a good holiday party in January and I'm sorry that I could not make it to the party. That is one of my favorite activities that we have as a chapter and I am so looking forward to next year's party. For February we had our "Best in Red" contest and the top vote getters were Susan and Lorraine. It was suggested that for next year we have more categories to judge such as best over all, best shoes, best top, best skirt, best hair, or whatever we can think of to add fun to the activity. After the contest we played a round of "Apples to Apples" and

had a fun time trying to see who could collect the most green word cards the quickest to win the game, and it was my wife getting to the 5 green card goal before anyone else. I don't know what it is, I just haven't been able to beet her at that game lately, but its fun trying anyway. If anyone has any ideas as to fun activities for our future chapter meetings please let us know what you would like to do.

Spring is just around the corner, well it's supposed to be starting on March 21st this year but if we are to believe Pennsylvania's Punxsutawney Phil, we are to have six more weeks of wintry weather. So that would put the start of spring on May 2nd, and according to [www. Groundhog.org](http://www.Groundhog.org) Punxsutawney Phil's predictions have been correct 100% of the time. Of course for those of us here in Las Vegas the transition from winter to spring is not always that noticeable. It's mid to later summer that I worry about here, especially when wearing the makeup and wig. Nothing ruins the feminine image worse then running foundation and mascara from the perspiration that we experience during the hot summer time here. Anyway that is still a ways off, so let's only worry about that when the time comes. So break out those spring fashions and have fun. We have DLV 2010 coming up in April so that will be a good opportunity for you to show those fashions off. Be good, Be happy, and look your best always.

A group of 40 year-old buddies discuss where they should meet for dinner. Finally it is agreed upon that they should meet at the Gausthof zum Lowen restaurant because the waitresses there have low cut blouses and nice breasts.

10 years later, at 50 years of age, the group meets again and once again they discuss where they should meet. Finally it is agreed that they should meet at the Gausthof zum Lowen because the food there is very good and the wine selection is good also.

10 years later, at 80 years of age, the group meets again and once again they discuss and discuss where they should meet. Finally it is agreed that they should meet at the Gausthof zum Lowen because that would be a great idea because they have never been there before.

Oh, what am I wearing this for?

Ummmm (blush)

BRITTANY (age 4) had an earache and wanted a pain killer. She tried in vain to take the lid off the bottle. Seeing her frustration, her Mom explained it was a child-proof cap and she'd have to open it for her. Eyes wide with wonder, the little girl asked: "How does it know it's me?"

SUSAN (age 4) was drinking juice when she got the hiccups. "Please don't give me this juice again," she said, "It makes my teeth cough."

CLINTON (age 5) was in his bedroom looking worried. When his Mom asked what was troubling him, he replied, "I don't know what'll happen with this bed when I get married. How will my wife fit in?"

when he was called two faced... Abraham Lincoln replied "if I had two faces, you think i would bring *this* one???"

We cannot hope to gain that in which we do not believe.
